Flour Bluff ISD Historical Marker Dedication

The Texas Historical Commission has recognized Flour Bluff Independent School District as a significant part of Texas history by awarding it an Official Texas Historical Marker. The designation honors Flour Bluff ISD as an important and educational part of local history.

A dedication ceremony to commemorate the event will be held on September 10, 2013 at 9:30 a.m., 2518 Waldron Road, across the street from Flour Bluff High School, Corpus Christi, Texas. Speakers for the dedication will include Anita Eisehhauer, Chairman of the Nueces County Historical Commission, and Joe Kelley, Superintendent.

A subject qualifies for a marker if two basic criteria are met; historical significance and age. Historical significance is established by reviewing its role and importance in local history, and the age requirement depends on the topic. Awareness and education are among the best ways to guarantee the preservation of our state's history.

"The significance of this marker shows how long Flour Bluff ISD has been an important and vital part of the local community. We are very excited and appreciative to have this for our school district" says Joe Kelley, Superintendent of Schools. Longtime established families in the Flour Bluff community, former superintendents and board members, the mayor and local dignitaries will also be in attendance for the dedication services. After the dedication there will be refreshments in the future FBISD Historical Museum.
