

The Flour Bluff ISD Safe and Drug Free Schools and School Health Advisory Council

The Council assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement.

The Council meets at least 4 times during the school year.

If you are interested in serving on the Council, please complete the application below and email or fax it to:
