BOARD NAMES LONE FINALIST FOR SUPERINTENDENT POST

In a special called board meeting on Sunday, March 24, the Board of Trustees of Flour Bluff Independent School District unanimously named Joe Kelley as the lone finalist for the position of superintendent.

Joe Kelley is currently the Area Superintendent for Katy ISD and had previously served as the high school principal of Flour Bluff High School.

Mr. Kelley has additional experience as an elementary school principal in Aransas Pass ISD, a middle school principal in Calallen ISD, and as the principal of Katy High School. Mrs. Kelley, Niki, once taught at Flour Bluff High School and Flour Bluff Intermediate School.

In Mr. Kelley's current position as Area Superintendent, his area of responsibility includes 23,000 students in 13 elementary schools, 5 junior high schools, 2 comprehensive high schools, and one career and technology high school.

Upon being named lone finalist, Mr. Kelley said, "I am excited about the possibilities, and it feels like I'm coming home."

The Board has been engaged in a superintendent search since January and had received 60 applications for the position. They reviewed and interviewed candidates in special called board meetings over the last week, and in Sunday's special meeting, the board named Mr. Kelley as the lone finalist.
