

## **Flour Bluff High School Extracurricular Programs**

### **Academic UIL Program**

Flour Bluff High School is successful in University Interscholastic League Academic Competition. Students may compete on the following teams: math, science, calculator, number sense, journalism, ready writing, debate, oral interpretation, theatrical design, extemporaneous speaking, literary criticism, spelling, social studies, computer science teams and computer applications. The One Act Play cast and crew are also a successful part of our award-winning academic team. We also have Academic Decathlon and Octathlon teams at the high school level and a Pentathlon team at the junior high school. Other successful academic teams at FBHS include Mock Trial, the Visual Arts Scholastic Event, National Forensics League, BEST Robotics, Distributive Education Clubs of America (DECA), Business Professionals of America (BPA), Science/Math and Health Occupations Students of America (HOSA) teams.

### **NJROTC Program**

Flour Bluff High School has been a Navy Distinguished Unit with Academic Honors since the 1994-1995 school year. The unit strives to be leaders in Community Service, in Cadet Involvement, in Academic Achievement, in Competitive Teams, and these efforts are coupled with similar strengths in every other measurable criteria of excellence. There is no program in the Nation that would come close to approaching the sustained level of superior performance and excellence displayed by the Unit at Flour Bluff High School.

### **In addition the High School also offers:**
