

TRANSPORTATION DEPARTMENT 2017-2018 BUS ROUTES

Following is the listing for bus stops and times for FBISD. Some variation can occur, depending on student participation in the busing program. Please note the pick up and drop off times are estimated and may be subject to change. Parents of students who have need and qualify for special transportation must contact their campus principal to request special transportation (a committee will review and determine if the service is needed). If special transportation is determined to be appropriate, you will then be contacted by the transportation department with approximate pick up and drop off times. For more information please call **694-9704**.
