### **Important Information for the Lap Swim Program**

Flour Bluff ISD is very excited about the opportunity to offer lap swim to our community in this facility. It is important that everyone interested in this program participate and sign-up for the program in these trial months so we can assess the practicality of the program. Of course, the amount of interest/sign-ups from month to month will be a large factor in the continuation of the program. It is our goal and vision for this program to be a long standing event for our community. We ask everyone that is interested to register for the program each month so we can determine the future of this event.
