Parent/Guardian Consent for Unlicensed Assistive Personnel to Administer Medication

I do/ do not (check one) authorize the District to designate unlicensed assistive personnel (UAP) who have been trained by a medical professional, including but not limited to, emergency medical personnel, a physician and/or a registered nurse to administer Diastat to my child while in attendance at Flour Bluff ISD or Flour Bluff ISD related events (such as field trips and athletic events), when a trained medical professional may not be available. I understand that school related health services may not be provided to my student without my required consent, as outlined herein. **Parent initials** _____

Parent/Guardian Consent to Share Information and Picture I do/do not (check one) authorize Flour Bluff ISD to display a picture of my child and identify that this is a person with seizures. I understand that school staff that comes into contact with my child will be given information about my child that would assist them in an emergency situation. This may include but is not limited to: health office staff and substitutes, classroom teachers and aides, special subject teachers, substitute teachers, office staff, cafeteria staff and bus drivers. I understand that the reason for this is to enable school personnel to better prevent and respond to potential emergencies. This authorization is valid from the date signed for the remainder of the current school year.

Parent/Guardian Authorization for School Staff to Communicate Health Information

I authorize the District's designees, including District medical professionals and UAPs, to share/obtain my student's health related information with the medical health professional or health care provider identified above to plan, implement or clarify actions necessary in the administration of school related health services such as but not limited to: emergency care, care for any documented diagnosis, medical treatments as outlined in a student's IHP, 504 plan, IEP, or other FBISD form requesting for school health care services. By signing this Authorization, I readily acknowledge that the information used or disclosed pursuant to this Authorization may be subject to re-disclosure by designees authorized herein and the person(s) with whom they communicate, and no longer be protected by the HIPAA rules. I realize that such re-disclosure might be improper, cause me embarrassment, cause family strife, be misinterpreted by non-health care professionals, and otherwise cause me and my family various forms of injury. I hereby release any Health Care Provider that acts in reliance on this Authorization from any liability that may occur from releasing my child's Individually Identifiable Health Information. School-related health services described in this agreement shall not be provided to a student without the required consent of the parent/guardian, as outlined herein.
