

FLOUR BLUFF ISD
**UNIVERSITY
PREPARATORY**
HIGH SCHOOL PROGRAM

Dear Parents/Guardians:

The following UP Advisory/Tutorial Schedule has been slightly changed to better serve the needs of our students. Each day of the week, except for Wednesday, teachers of that subject area will provide a purposeful lesson that will give your child an opportunity to relearn or improve on a skill or concept they are struggling with in the class. This is not mandatory, but it is highly recommended that students take advantage of this opportunity.

UPHSP Tutorial/Advisory Schedule

Monday-	English
Tuesday-	Science
Wednesday-	No Advisory/Tutorials
Thursday-	Math
Friday-	Social Studies

*****Students may go to Rm 4 (Mrs. Speed) or Rm 9 (college lab) if they need a quiet place to do homework, study or work on a project.*
