## INTERSCHOOL ACTIVITIES

Athletic and school sponsored extracurricular activities are an important part of our students' school experiences. - Staff will have their temperature check and go through a health screening each day.
- Staff will wear facial coverings during all UIL sponsored activities.
- Students will take part in daily pre-screening before taking part in activity.
- No sharing of water bottles, towels or other personal items is allowed.
- Athletes and UIL sponsored activity participants will have designated drop-off and pick-up spots.
- All participants and staff must maintain social distancing requirements.
- Students should report to practices and rehearsals in proper attire and immediately return home to change clothes or shower at the end of the session.
- In-door activities are restricted to 50% capacity.

### Health and Safety Preventive Measures for Staff and Student Participants:
