

ESSER III Use of Funds Plan

American Rescue Plan (ARP) Act

Flour Bluff ISD is addressing learning loss or accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports that will begin at the start of the school year and continue throughout the school year. Our data (i.e. summer school failure rates, retention rates) indicates our students had significant learning loss beyond the regular summer loss.

To account for the learning loss, FBISD will use 20% of the ESSER III funds, or \$1,301,601 to accelerate learning, purchase high quality instructional materials, increase technology connectivity, and social/emotional supports. The remainder of the ESSER III funds 80% or \$5,206,406 will be used to continue to employ existing staff or hire additional personnel. The funding period of the ESSER III grant is from March 13, 2020 through September 30, 2023.

Addressing the Instruction/Academic loss
