**Agenda items:**

- YWTeens – YWCA – The YWTeen Program serves girls in the Corpus Christi area. The program was created on the nationally acclaimed, research-based Girls Circle, Inc. curriculum. Girls Circle is the only curriculum recognized in the US to reduce delinquency in girls. Girls are given structure, steps, and practices to help them make positive connections with parents, siblings, peers, teachers, and friends. The program promotes girls’ healthy relationships with adults, peers, and community. YWTeen safely empowers girls to take full advantage of their talents, academic interests, career pursuits, and potential for healthy relationships.
- ASPIRE – Vape Curriculum – UT-MD Anderson – Kay Wallace, program manager, presented via zoom. ASPIRE (A Smoking Prevention Interactive Experience) is a free online prevention education resource from The University of Texas MD Anderson Cancer Center. ASPIRE delivers tobacco prevention education to teens and adolescents at a self-directed pace.
- Discussion of SHAC Committee’s Role – handouts were provided on the following: TEA-FAQ July 26, 2023 – BDF Legal – Composition of the board, and EHAA Local.
- Co-Chair – Steven McClure was introduced as existing co-chair.
- Weather Guidelines for PE/Recess – This guideline provides information to campus staff as they plan for outdoor activities such as physical education class, recess, and educational or recreational activities throughout the school day.
- Fentanyl Awareness Requirements – Emails will go out to parents as a new state requirement.
