Predictions of future salaries are not possible from this pay structure. Salary plans are determined on an annual basis, and salary advancement is not guaranteed. Pay increases are based on the annual pay raise budget approved by the Board of Trustees. Teachers hired to work for more or less than a standard 10-month contract will receive an annual salary based on the daily rate for their documented years of experience.

**Flour Bluff Independent School District**  
**Performance Pay: Teacher Incentive Allotment**

---

For any funds received by Flour Bluff ISD for a designated teacher under the Teacher Incentive Allotment (TIA), 90% of the funds will be paid to the designated teacher and 10% percent of the funds received will be used for training and support of the system, expansion of the system, administrative expenses, and professional development. Should the district receive funding for a designated teacher who has resigned or retired, the district will forward payment to the resigned or retired teacher as soon as practicable. Additionally, if a designated teacher moves into the district from another district, the teacher will receive TIA compensation from their previous district.
