VI. TERMINATION OF AGREEMENT

6.1 Termination Without Cause.

6.1.1 This Agreement may be terminated by District without cause, prior to District's representative giving Consultant written Notice to Proceed, should District's representative, in its sole discretion, determine that it is not in District's best interest to proceed with this Agreement. Such notice shall be provided in accordance with the notice provisions contained in this Agreement, and shall be effective immediately upon delivery to the Consultant.

6.1.2 This Agreement may be terminated by the District at any time after issuance of the District's representative's Notice to Proceed, either for the District's convenience or because of Consultant's failure to fulfill the contract obligations. Upon receipt of such notice services shall be immediately discontinued (unless the notice directs otherwise) and all materials as may have been accumulated in performing this contract, whether completed or in progress, delivered to the District.

6.1.3 If the termination is for the convenience of the District, and following inspection and acceptance of Consultant's services properly performed prior to the effective date of termination an equitable adjustment in the contract price shall be made. Consultant shall not, however, be entitled to lost or anticipated profit on unperformed services, should District choose to exercise its option to terminate, nor shall Consultant be entitled to compensation for any unnecessary or unapproved work performed during time between the issuance of the District's notice of termination and the actual termination date.

6.1.4 If the termination is due to Consultant's failure to fulfill its obligations, the District may take over the work and prosecute the same to completion by contract or otherwise. In such case, the Consultant shall be liable to the District for any additional cost occasioned to the District thereby.

6.1.5 If, after notice of termination for failure to fulfill contract obligations, it is determined that the Consultant had not so failed, the termination shall be deemed to have been effected for the convenience of the District. In such event, an equitable adjustment in the contract price shall be made as provided in paragraph 6.1.3 of this clause.

6.1.6 The rights and remedies of the District provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

6.1.7 This Agreement may be terminated by the Consultant, at any time after issuance of the District's representative's Notice to Proceed, upon ninety (90) calendar days written notice provided in accordance with the Notice provisions contained in this Agreement.

6.2 Defaults With Opportunity for Cure. Should Consultant fail, as determined by the District's representative, to satisfactorily perform the duties set out in Article II. SCOPE OF SERVICES; or comply with any covenant herein required, such failure shall be considered an Event of Default. In such event, the District shall deliver written notice of said default, in accordance with the notice provisions contained in this Agreement, specifying the specific Events of Default and the action necessary to cure such defaults. Consultant shall have ten (10) calendar days after receipt of the written notice to cure such default. If Consultant fails to cure the default within such cure period, or take steps reasonably calculated to cure such default, District shall have the right, without further notice, to terminate this Contract in whole or in part as District deems appropriate, and to contract with another Consultant to complete the work required by this Agreement. District shall also have the right to offset the cost of said new agreement with a new Consultant against Consultant's future or unpaid invoice(s), subject to any statutory or legal duty, if any, on the part of District to mitigate its losses.

6.3 Termination For Cause. Upon the occurrence of one (1) or more of the following events, and following written notice to Consultant given in accordance with the notice provisions contained in this Agreement, District may immediately terminate this Contract, in whole or in part, "for cause":

6.3.1 Consultant makes, directly or indirectly through its employees or representatives, any material misrepresentation or provides any materially misleading information to District in connection with this Agreement or its performance hereunder; or

6.3.2 Consultant violates or materially fails to perform any covenant, provision, obligation, term or condition of a material nature contained in this Agreement, except those events of default for which an opportunity to cure is provided herein; or

6.3.3 Consultant fails to cure, or initiate steps reasonably calculated to cure, a default as required by this Agreement, within the time period required for cure; or

6.3.4 Consultant violates any rule, regulation or law to which Consultant is bound or shall be bound under the terms of this Agreement; or

6.3.5 Consultant attempts the sale, transfer, pledge, conveyance or assignment of this Agreement contrary to the terms of this Agreement.

6.3.6 Consultant ceases to do business as a going concern; makes an assignment for the benefit of creditors; admits in writing its inability to pay debts as they become due; files a petition in bankruptcy or has an involuntary bankruptcy petition filed against it (except in connection with a reorganization under which the business of such party is continued and performance of all its obligations under this Contract shall continue) and such petition is not dismissed within forty-five (45) days of filing; or if a receiver, trustee or liquidator is appointed for it, or its joint venture entity, or any substantial part of Consultant's assets or properties.

6.4 Termination By Law. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.

6.5 Orderly Transfer Following Termination. Regardless of how this Agreement is terminated, Consultant shall effect an orderly transfer to District or to such person(s) or firm(s) as the District may designate, at no additional cost to District. Upon the effective date of expiration or termination of this Agreement, Consultant shall cease all operations of work being performed by Consultant, or any of its subcontractors, pursuant to this Agreement. All completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced, or provided to Consultant, in connection with the services rendered by Consultant under this Agreement, regardless of storage medium, shall be transferred to District. Such record transfer shall be completed within thirty (30) calendar days of the termination date and shall be completed at Consultant's sole cost and expense. Payment of compensation due or to become due to Consultant is conditioned upon delivery of all such documents.

6.6 Claims for Outstanding Fees. Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Agreement, Consultant shall submit to District its claims, in detail, for the monies owed by District for services performed under this Agreement through the effective date of termination. **Failure by Consultant to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of District and constitute a waiver by Consultant of any and all right or claims to collect moneys that Consultant may rightfully be otherwise entitled to for services performed pursuant to this Agreement.**

6.7 Termination Not Sole Remedy. In no event shall District's action of terminating this Agreement, whether for cause or otherwise, be deemed an election of District's remedies, nor shall such termination limit, in any way, at law or at equity, District's right to seek damages from or otherwise pursue Consultant for any default hereunder or other action.

VII. SUSPENSION OF WORK UNDER AGREEMENT

7.1 Right of District to Suspend. District may suspend this Agreement for any reason, with or without cause, upon the issuance of written Notice of Suspension in accordance with the Notice provisions contained in this Agreement. Such suspension shall take effect upon the date specified in such notice; provided, however, such date shall not be earlier than the tenth (10th) day following receipt by Consultant of said notice. The Notice of Suspension will set out the reason(s) for the suspension and the anticipated duration of the suspension, but will in no way guarantee the total number of days of suspension.

7.2 Consultant's Right to Terminate In Event of Suspension of Agreement. In the event such suspension exceeds one hundred and twenty (120) calendar days, Consultant shall have the right to terminate this Agreement. Consultant may exercise this right to terminate by issuing a written Notice of Termination to the District, delivered in accordance with the Notice provisions contained in this Agreement after the expiration of one hundred and twenty (120) calendar days from the effective date of the suspension. Termination pursuant to this paragraph shall become effective immediately upon receipt of said written notice by District and such termination shall be subject to all the requirements set out in Paragraphs 6.5 and 6.6 above, related to the Orderly Transfer and Fee Payment.

7.3 Procedures Upon Receipt of Notice of Suspension.

7.3.1 Upon receipt of a notice of suspension and prior to the effective date of the suspension, Consultant shall, unless otherwise directed, immediately begin to phase-out and discontinue all services in connection with the performance of this Agreement and shall proceed to promptly cancel all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement.

7.3.2 Consultant shall prepare a statement showing in detail the services performed under this Agreement prior to the effective date of suspension.

7.3.3 Copies of all completed or partially completed studies, plans and other documents prepared under this Agreement prior to the effective date of suspension shall be prepared for possible delivery to the District but shall be retained by Consultant until such time as Consultant may exercise the right to terminate.

7.3.4 During the period of Suspension, Consultant shall have the option to at any time submit the above referenced statement to the District for payment of any unpaid portion of the prescribed fee for services which have actually been performed to the benefit of the District under this Agreement, adjusted for any previous payments of the fee in question.

7.3.5 In the event Consultant exercises its right to terminate this Agreement at any time after the effective Suspension date, Consultant shall submit, within forty-five (45) calendar days after receipt by District of Consultant's notice of termination (if he has not previously done so) the above referenced statement showing in detail the services performed under this Agreement prior to the effective date of suspension. Failure by Consultant to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of District and constitute a waiver by Consultant of any and all right or claims to collect moneys that Consultant may rightfully be otherwise entitled to for services performed pursuant to this Agreement.

7.3.6 Upon the above conditions being met, the District's review of the submissions and finding the claimed compensation to be appropriate to the terms of this Agreement, the District shall pay Consultant that portion of the agreed prescribed fee for those as yet uncompensated services actually performed under this Agreement to the benefit of the District, adjusted for any previous payments of the fee in question.

VIII. INSURANCE REQUIREMENTS

8.1 Prior to the commencement of any work under this Agreement, Consultant shall furnish an original completed Certificate of Insurance to District's representative, which shall be clearly labeled with the Project name and which shall be completed by an agent authorized to bind the named underwriter(s) and their company to the coverage, limits, and termination provisions shown thereon, containing all required information referenced or indicated thereon. District shall have no duty to pay or perform under this Agreement until such certificate shall have been delivered to District's representative, and no officer or employee shall have authority to waive this requirement.

8.2 The District reserves the right to review the insurance requirements of this Article during the effective period of this Contract and to modify insurance coverage and limits when deemed necessary and prudent by the District based upon changes in statutory law, court decisions, or circumstances surrounding this Contract, but in no instance will the District allow modification whereupon the District may incur increased risk.

8.3 Consultant's financial integrity is of interest to District, therefore, subject to Consultant's right to maintain reasonable deductibles in such amounts as are approved by District, Consultant shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at Consultant's sole expense, insurance coverage written on an occurrence basis, except for professional liability, by companies authorized, approved or admitted to do business in the State of Texas and rated A- or better by A.M. If written on a claims made basis, Consultant shall provide coverage for an additional 25 months after the completion date of the contract.

8.4 The General Liability and Automobile issued in the name of Consultant shall also name the District as an additional insured. The coverage afforded to the additional insured under the policy or policies shall be primary insurance. It is the intent of the parties to this Agreement that the General Liability coverage required herein shall be primary to and shall seek no contribution from all insurance available to District, with District's insurance being excess, secondary and non-contributing. The Commercial General Liability coverage provided by Consultant shall be endorsed to provide such primary and non-contributing liability. If the additional insured has other insurance which is applicable to the loss, such other insurance shall be on an excess or contingent basis.

8.5 Workers' compensation and employers' liability policy will provide a waiver of subrogation in favor of District.

8.6 The District shall be entitled, upon request and without expense, to receive copies of the policies and all endorsements thereto as they apply to the limits required by the District, and may require the deletion, revision, or modification of particular policy terms, conditions, limitations or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). Consultant shall be required to comply with any such requests and shall submit a copy of the replacement certificate of insurance to District at the address provided in this Agreement for Notice, within ten (10) days of the requested change. Consultant shall pay any costs incurred as a result of said changes.

8.7 When there is a cancellation, non-renewal or material change in coverage which is not made pursuant to a request by District, Consultant shall notify District of such and shall give such notices not less than thirty (30) days prior to the change, if Consultant knows of said change in advance, or ten (10) days notice after the change, if the Consultant did not know of the change in advance. In the event of

cancellation or non-renewal, such notice must be accompanied by a replacement Certificate of Insurance. All notices under this Article shall be given to District at the address provided in the Notice section of this Contract.

8.8 If Consultant fails to maintain the aforementioned insurance, or fails to secure and maintain the aforementioned endorsements, District may obtain such insurance, and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement; however, procuring of said insurance by District is an alternative to other remedies District may have, and is not the exclusive remedy for failure of Consultant to maintain said insurance or secure such endorsement. In addition to any other remedies District may have upon Consultant's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, District shall have the right to order Consultant to stop work hereunder, and/or withhold any payment(s) which become due to Consultant hereunder until Consultant demonstrates compliance with the requirements hereof. A stop work order given to Consultant by District in accordance with this Article shall not constitute a Suspension of Work under this Agreement.

8.9 It is agreed that Consultant's insurance shall be deemed primary with respect to any insurance or self insurance carried by District for liability arising out of operations under this Agreement.

8.10 Nothing herein contained shall be construed as limiting in any way the extent to which Consultant may be held responsible for payments of damages to persons or property resulting from Consultant's or its subcontractors' performance of the work covered under this Agreement.

IX. INDEMNIFICATION

9.1 Consultant (for purposes of this Section referred to as Licensed Engineer) whose work product is the subject of this contract for engineering services and other related professional services, agrees to **INDEMNIFY AND HOLD DISTRICT, ITS OFFICERS AND EMPLOYEES, HARMLESS** against any and all claims, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney's fees and costs of defense), proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal injury (including death), property damage, or other harm for which recovery of damages is sought that may **ARISE OUT OF OR BE OCCASIONED OR CAUSED BY LICENSED ENGINEER'S NEGLIGENT ACT, ERROR, OR OMISSION OF LICENSED ENGINEER, ANY AGENT, OFFICER, REPRESENTATIVE, EMPLOYEE, CONSULTANT OR SUBCONSULTANT OF LICENSED ENGINEER** while in the exercise of performance of the rights or duties under this Agreement.

9.2 The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of District, its trustees, officers or employees, in instances where such negligence causes personal injury, death, or property damage. **IN THE EVENT LICENSED ENGINEER AND DISTRICT ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE DISTRICT UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.**

9.3 Consultant shall promptly advise the District, in writing, of any claim or demand against the District or Licensed Engineer known to Licensed Engineer related to or arising out of Licensed Engineer activities under this contract.

9.4 The provisions of this section are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or other wise, to any other person or entity.

X. ENGINEER'S LIABILITY AND STANDARD OF CARE

10.1 Services provided by Consultant under this Agreement will be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. Acceptance of reports or other documents by District shall not constitute nor be deemed a release of the responsibility and liability of Consultant, its employees,

associates, agents or subcontractors for the accuracy and competency of their testing, reports, assessments or other documents and work; nor shall such acceptance be deemed an assumption of responsibility or liability by District for any defect or error in testing, reports, or assessments and work performed by Consultant, its employees, subcontractors, and agents.

XI. CONSULTANT'S WARRANTY UNDER THE PROFESSIONAL SERVICES PROCUREMENT ACT

11.1 Consultant warrants that it has not employed or retained any company or person other than a bona fide employee working solely for Consultant to solicit or secure this Agreement, and that it has not, for the purpose of soliciting or securing this Agreement, paid, compensated, or agreed to pay or compensate, any company or person, other than a bona fide employee working solely for Consultant, any fee, commission, percentage, brokerage fee, gift, for any other consideration contingent upon or resulting from the award or making of this Agreement. For breach of the foregoing warranty, the District shall have the right to terminate the Agreement under the provisions of this Agreement. However, breach of the warranty required in this provision constitutes fraud by operation of law; therefore, any Consultant found in breach of such warranty, by a final judgment of a Court of Competent Jurisdiction, shall take no compensation under this Agreement for any services rendered and such forfeiture shall not bar the District from pursuit and collection of any and all other damages, at law and in equity, to which it may be justly entitled. This Agreement is entered into under competency requirements of the Texas Professional Services Procurement Act governing District employment of engineering and other professionals. Accordingly, Consultant further pledges and warrants its best and most competent professional efforts to secure to the District the benefits of the agreement.

XII. ASSIGNMENT OF RIGHTS OR DUTIES

12.1 By entering into this Agreement, District has approved the use of subcontractors, if any, identified in Consultant's Proposal. No further approval shall be needed for Consultant to use such subcontractors as are identified in Consultant's Proposal.

12.2 Except as otherwise required herein, Consultant may not sell, assign, pledge, transfer or convey any interest in this Agreement nor delegate the performance of any duties hereunder, by transfer, by subcontracting or any other means, without the prior written consent of District. Engineering services required by law to be performed by a licensed engineer, or services which, by law, require the supervision and approval of a licensed engineer, may only be subcontracted upon the prior written approval of the District. Any other services to be performed under this Agreement may be subcontracted upon the written approval of District's representative. As a condition of consent, if same is given, Consultant shall remain liable for completion of the services outlined in this Agreement in the event of default by the successor consultant, assignee, transferee or subcontractor. Any references in this Agreement to an assignee, transferee, or subcontractor, indicate only such an entity as has been approved by District in accordance with this Article.

To the extent the Owner, not the Consultant obtains the CHRI described in this agreement, Consultant understands that it will not have access to the results of such criminal history records check, based on statewide regulations beyond the control of the Owner, and agrees to rely solely on the judgment of the Owner as to whether the Covered Employee must be excluded from the Project.
