CAREER & TECHNICAL EDUCATION

March 2026 Edition

FBISD
CTE

1 CTE Advisory Committee Meeting Dates

Date: April 22, 2026

Time: 4:30 pm – 5:30 pm

Location: FBISD
Administration Building

Elijah Barajas

Elijah Barajas, a 9th-grade student in the Law Enforcement program, has already shown strong dedication to developing skills that align with his career interests. He approaches class with focus and responsibility, demonstrating maturity and a clear commitment to learning the foundations of public safety and law enforcement.

Elijah has earned his Level 2 Security Officer Certification, an impressive accomplishment that highlights both his initiative and readiness to take meaningful steps toward his future. His achievement reflects the determination and discipline that make him a strong representative of CTE success.

3 PTECH Advisory Committee Meeting Dates

Date: April 29, 2026

Time: 4:30 pm – 5:30 pm

Location: FBISD
Administration Building

Carlota Gomez-Cisneros

Carlota Gomez-Cisneros, an 8th-grade student in the Health Science Career Cluster, is a motivated learner with a strong interest in the medical field. She consistently demonstrates focus, responsibility, and a willingness to grow her knowledge as she explores health science concepts at an early stage in her education.

Looking ahead, Carlota plans to continue her education in the health science field with the goal of attending both medical and dental school. Her ambition and dedication reflect a bright future and a strong commitment to making an impact through healthcare.

1st Annual CTE Market Day

We're excited to be approaching our 1st Annual CTE Market Day!

 March 25, 2026

 5:00 PM – 8:00 PM

 Parking Lot in Front of Central Office

Come out and support our CTE programs and school organizations as they showcase student projects, sell items, and host games. Tickets will be sold at the event, and all school groups will collect tickets for purchases and activities.

We're also inviting outside vendors to participate! Booth spaces are available for \$50 per stall. Interested vendors can scan the QR code to register.

We hope to fill the lot and make this a fun, community-wide event you won't want to miss!

5 Career Fair Was a Huge Success!!

Career Fair was a HUGE success, and we were thrilled to welcome so many vendors representing such a wide variety of career fields for our junior and senior students. The event gave students the opportunity to explore future possibilities, ask important questions, and learn directly from professionals across many industries.

We are incredibly grateful to every vendor and community member who took the time to share their knowledge, experience, and advice. Your willingness to invest in our students made a meaningful impact as they begin making important decisions about college, careers, and life after high school. Experiences like this help our Hornets see the many paths available to them and inspire confidence in their future choices.
